Strategic Export Controls

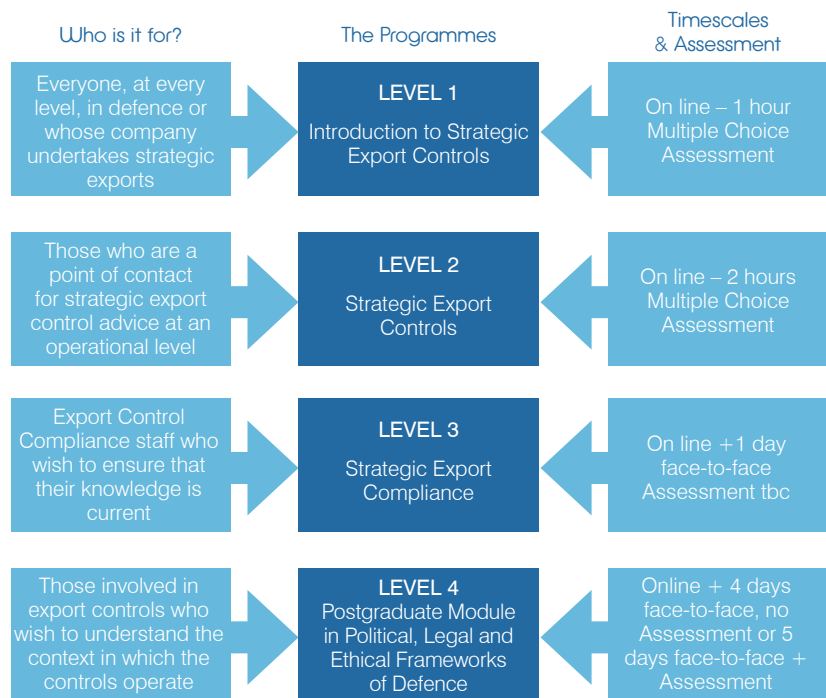

Courses to Help You Demonstrate Your Commitment to Export Control Compliance

A series of courses in Strategic Export Control has been developed by EGAD (Export Group for Aerospace and Defence) and Cranfield University at the Defence Academy of the United Kingdom.

The benefits of the programmes are:

- You are demonstrating your commitment to compliance
- Our expertise in defence and education means you can be confident in the programmes
- The assessments are marked objectively providing auditable evidence of your training
- The content is continuously updated so you can be sure your staff have current knowledge

LEVEL 1 INTRODUCTION TO STRATEGIC EXPORT CONTROLS

An online training programme with multiple choice assessment.

WHO IS THIS PROGRAMME FOR?

Everyone who works in defence, security and any industry that might be subject to export controls.

AIM

The aim of this module is that on completion you should have a basic understanding of UK and US export controls and the implications of non compliance.

On successful completion of the assessment you will have a basic understanding of the key aspects of:

- Export Control Act 2002
- Export Control Order 2008
- EU Code of Conduct on the export of arms
- The dual use controls – EC and UK Regulations
- The US International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR)

LEVEL 2 STRATEGIC EXPORT CONTROLS

An online training programme with multiple choice assessment.

WHO IS THIS PROGRAMME FOR?

This programme is for anyone whose duties include being a point of contact for strategic export control advice at an operational level.

AIM

The aim of this module is that on completion you should have a detailed understanding of UK and US export controls, how to obtain a control licence and the implications of non compliance.

On successful completion of the assessment you will have an understanding of key aspects of:

- Export Control Act 2002
- Export Control Order 2008
- EU Code of Conduct on the export of arms
- The dual use controls – EC and UK Regulations
- The US International Traffic in Arms Regulations (ITAR) and Export Administration Regulations (EAR)
- SPIRE

“The level 1 training module will be a very useful aid to raising awareness about export controls. An excellent feature is that it is internet based and can easily be updated to keep pace with changes in export controls.”

Chris Parker, Export Control Organisation, (BIS)

“... a cost-effective way of demonstrating a commitment to compliance.”

Brinley Salzmann, EGAD Secretary
